For any expense exceeding 400 € or 400 US\$, please attach a medical document showing a detailed description of care received, diagnosis of illness/injury, and type of treatment prescribed. If we do not receive such information, we may ask you to provide other supporting documents. This would delay reimbursement of that particular bill.

Procedure for filing a claim

1. If you, your spouse or children are covered by French Social Security (or another government plan) or another group insurance policy, you must obtain the reimbursement to which you are entitled before filing this claim. In this case enclose with your claim a copy of all medical and dental bills relating to the claim, **as well as the original statement of Social Security or another insurance provider.**
2. Answer all questions on both sides of the claim form and mail it to us within 12 months of treatment. Attach to it **the original of all reimbursable bills, prescriptions and Doctors' fees.** Bills should indicate that they are paid in full as well as show the name and date of birth of patient, the date of treatment, a

detailed description of medical services and the amount of charges corresponding to each category of treatment or service. Bills must specify name and address of medical provider or pharmacy. Cash receipts which do not provide this information are not acceptable. **For care in France**, ask practitioners to provide you with the "feuille de soins de la Sécurité Sociale" and stick the "vignettes" (which you will find on the packaging) on the pharmacy bills.

4. For series of treatments, the prescription must clearly indicate the length of treatment or the number of sessions required and a copy of the prescription must be enclosed in each claim. Prescriptions are valid only for 6 months.

6. Please avoid making a series of small claims. It makes sense to accumulate your small medical and dental bills until you have enough to justify a significant reimbursement. Then take the precaution of making photocopies of all documents before sending us **the originals.**

**Mail your claims
to your nearest Claim Department
(see addresses on page 1).**
